EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Title:

Please substitute the title for:

"Leadless Chip Carrier with Embedded Inductor"

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The Application as amended specifically recites a substrate having a top surface for receiving a die and "a conductor patterned on said top surface of said substrate, said conductor having a first terminal and a second terminal; each of said first and second terminals situated on said top surface of said substrate". Also, see that claim 13 recites said conductor comprising an inductor. The above in combination with all specific structural language recited in the claims is neither obvious over nor anticipated by the prior art of record, which fails to either alone or in combination anticipate the invention as claimed. Therefore, the Application
